Extract from the Proceedings of the Meeting of the Board of Directors held at Bangalore on 27.5.47

Subject No 21: Exemption from Agricultural Relief Act in respect of Cultivation Advances

"RESOLVED that Government be requested to exempt the Mysore Sugar Company from the provisions of the Agricultural Relief Act in respect of recovery of cultivation advances.

In view of the fact that there were heavy outstandings in respect of cultivation advances and that the recoveries by the present cultivation staff were rather slow, it was suggested by some of the Directors that it was desirable to appoint a Revenue Officer to look after this work more efficiently than at present. It was therefore RESOLVED that the services of a Revenue Officer of the Grade of an Assistant Commissioner be obtained on loan from Government to look after the cultivation advances and their recoveries.
